# About

**TUNDE  
STYL-PLUS**

Akintunde Akinsanmi, professionally known as **Tunde Styl-Plus**, is the golden voice behind one of Nigeria's most iconic R&B groups, Styl-Plus. With a career spanning over two decades, Tunde's distinct tone, emotional depth, and timeless melodies have defined the soundtrack of a generation.

As the lead vocalist of Styl-Plus, Tunde brought soulful clarity to unforgettable classics like "Olufunmi", "Imagine That", and "Runaway". Today, he continues to reinvent his sound as a solo artist—fusing Afro-R&B, soul, and contemporary African rhythms—without losing the essence that made him a household name.

Tunde is not just an artist; he is a custodian of nostalgic sound, a lyrical storyteller, and a voice that still stirs hearts.
